Dear Mr. Newman:

Thanks for sending the additional information for our Hall of Fame. If the school photo shop ever gets the photos enlarged for the plaques the display will be finished.

I have been in the hospital at Memphis for some time but am back at work. My blood pressure has been sky high and my heart has been skipping. My heart is under control now but my blood pressure is still to high, but I am taking two kinds of medicine and trying to loose weight.

I have listed the notes that we have as you requested. We would be glad to get anything for our museum. I have never seen the Missouri notes issued at Neosho. Have you ever seen a Yokum Dollar or any CSA notes issued at Cassville? Several people have asked me if we had these items.

The tourist are starting to visit our area in large numbers, It looks like we will have around 100,000 visitors this year. I hope that you can find time to visit us sometime this summer. Thanks again for help.

Very truly yours,

*John P. Butler*

Dear Friend:

Enclosed is a little historical reference to add to the Chalk Bluff scrip.

If you have any information about the labor commune scrip I would be grateful to you. I understand their national headquarters was located at Independence, Missouri.

Mr. J. H. Cline sent me a copy of his new book "Standing Liberty Quarters". I would appreciate it very much if you would send us a autographed copy of your new book "The Early Paper Money Of America", If you are in a generous mood.

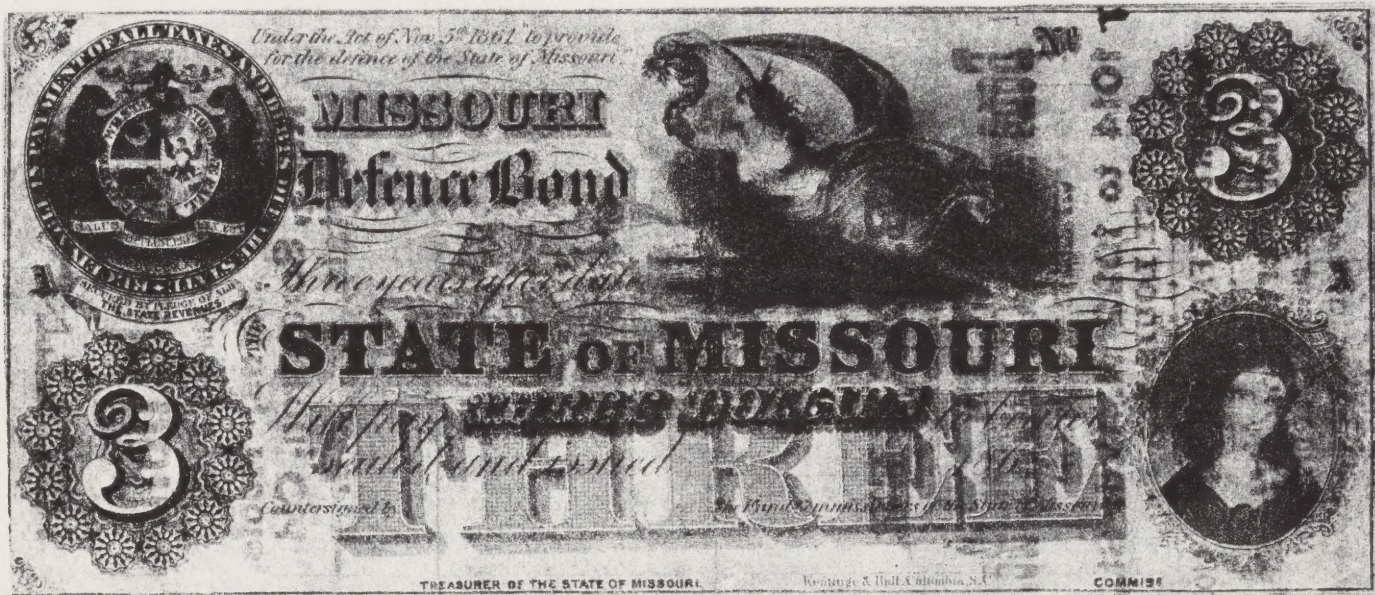

We are having awful weather in this area. It is almost impossible to travel. We had 14 inches of snow and a temperature of -24 the other night a town close to us had a -30 in northern Ark.

I hope the ~~enclosed~~ info will be satisfactory. Wishing you and your family the best of everything.

Sincerely,

*John Paul Butler*
